From CEO's Desk

Hope this new year is feeling your life with health and happiness. It is my pleasure to inform you that NABH has awarded our hospital with full accreditation as per the 5th edition, which is a great achievement for our team. This quarter was full of hard work and achievements. We have started a new IVF center with state-of-the-art infrastructure and equipment at very nominal rates for benefit of poor families.

In February we welcome the new batch of undergraduate and postgraduate students after a gap of no batch of 9 months.

In the field of quality, our hospital successfully completed NABH final assessment with very good scores. I wish good luck to all my colleagues for the upcoming financial year and for achieving their targets in life.

CEO - Gujarat Cancer Society

From Chief Editor's Desk

Dear Readers,

Welcome to the 38th edition of the GCSMCH&RC Newsletter!

Wish you all a Happy new financial year. This year let us try to be more eco-friendly and save energy and paper by cutting off unnecessary usage. With a lot of buzz about – Break the Bias - International Women's Day was celebrated with full enthusiasm by GCS Womaniya members. Fitness talk, Entrepreneur lessons, Women's Health, and many other fun activities added all colors to it in the true sense, which can be witnessed in glimpses.

In collaboration with Odhav Industrial Association, outreach OPD at Odhav GIDC is commenced to serve the community. With one more milestone of NABH Full Accreditation, we are sure about high spirit at all levels in delivering quality care to patients.

You can also read about various other achievements, activities & updates from around the organization in this 38th issue of the GCSMCH Newsletter. As always, please send us your suggestions on how to improve our newsletter at communications@gcsmc.org.

Happy Reading!

From Director's Desk

I hope this newsletter finds you in the best of spirits and in the pink of health. My hearty congratulations to all the staff of GCS medical college and hospital for achieving full NABH – 5th edition. It was a dream we saw together and achieved together. This accreditation will raise the standard and reputation of our institution at the national level.

We also inaugurated the IVF center as a ray of hope for all the women. We will always thrive to provide holistic care to the patient. I truly hope that our newsletter is successful in capturing the essence and ethos of this institution and doing absolute justice to it. I want to thank all the donors who contributed to our institution to fulfill the need of patients.

Director

From Dean's Desk

Greetings from the GCS Medical College!!!

GCSMCH&RC is one of the most prestigious institutions in India. Our institution has grown spectacularly achieving notable success in many directions and reached the present stage since its inception in 2010. It is my proud privilege to welcome a new batch of MBBS students, post-graduate students, and DNB Super-specialties students. I congratulate all students on your brilliant success in getting admitted to various courses at our GCS Medical College. Congratulations to all the medical graduates. Recently, GCSMCH&RC has conducted medical education (MEU) training for 30 faculties in presence of an NMC Observer (Dr. Neeraj Mahajan). With the motto of 'Excellence in Education, Research and Development of Faculty/ Students/ Institutions', we endeavor to create a better work culture and a vibrant academic environment by organizing regular workshops / CMEs for Under-graduate / Post-graduate students/ Faculty, CPCs, Research Publications, Starting Super-specialties in different specialties.

We are grateful for your continued support of the institute.

I wish you all health and prosperity.

મોંનો કેન્સર (ઓર્થો ક્રેન્સર)

- ભારતમાં આ કેન્સરના ૭૦% કેસોમાં તમાકુના સેવનની આદત જવાબદાર છે જેમ કે ગુટખા, તમાકુ, સોપારી, પાન મસાલા, વગેરે ...
- મોંના કેન્સરની સારવાર સીધી મુશ્કેલ હોય છે અને તે જો વાદી પડમાં ન આવે, તો ખુબ જ ઝડપથી ફેલાય છે.
- સાચ રહેશે કે આ તો આદતને છોડી દો અને જરૂરી છે કે આપ મોંની તપાસ સમયાંતરે કરાવવા રહો.

The GCRI has been awarded GREEN RATING FOR INTEGRATED HABITAT ASSESSMENT and achieved provisionally Three Star' under GRIHA

Today, buildings have evolved into a diverse array of typologies designed to meet the highly specific requirements of the people who work in them. Over time, with growing technological skills, these buildings have also been increasingly designed and operated to place exorbitant demands on natural resources, such as land, water, and energy, to mention a few. Therefore, the incorporation of sustainable practices in building design and operation is no longer a choice but a necessity for a sustainable future. Looking at these futuristic requirements GCRI has applied in GREEN RATING FOR INTEGRATED HABITAT ASSESSMENT and achieved a 'Three Star' rating under "GRIHA" an initiative of the Ministry of New and Renewable Energy Government of India and The Energy and Resources Institute on 14 Feb'22.

Across India, **The GCRI** was nominated as 2nd best performing Public Hospital (Large State) under PM JAY (NHA) network.

The WEEK Magazine has ranked “GCRI as 9th best Hospital under Oncology category”.
