From COO's Desk

It is a proud moment for me to be associated with the Gujarat Cancer Society (GCS), which has a legacy of 61 years in Cancer Care and Charity Endeavors. It is my privilege to be part of an exceptional family at the GCSMCH&RC. I am looking forward to working with all of you to serve our patients wholeheartedly and take GCSMCH&RC to new heights and make our presence in the world.

I congratulate GCS family members for their hard work for achieving AB PMJAY Gold Quality Standard Certificate for maintaining the highest standards of quality treatment. I firmly believe that employees are the pillar of any organization.

As we enter 2023, we bring along a lot of hope for a more collaborative year and betterment of organisation and society. I want to thank you all for your continued support and all that you do to make GCSMCH&RC best place.

I wish all my doctors, nurses, paramedical staff, and support staff a very Happy, Healthy and Prosperous 2023 and years to come.

Dr. Jagdish Khoyani
COO

From Director's Desk

I hope this newsletter finds you in the pink of your health. I am excited to share our journey in this quarter. It was indeed a festival-filled quarter. Such as, Diwali, Hindu New Year, Christmas and as we talk about new year, we have initiated many employee-oriented programs such as birthday celebration and GCSMCH Sports League. Our new batch of M.B.B.S students was welcomed with the White Coat Ceremony and Orientation Program. Greetings to all the new students! I wish them a successful academic year.

We are grateful for the 3 lac patients who trusted us with their health in year 2022 and got treatment from GCS Hospital. Without our GCSians army, none of this would be possible. This upcoming new year will bring many challenges and surprises to our journey, whatever challenge we face but I'm sure our team will ace those challenges as a piece of cake. Let us take all be safe. Cheers to health, happiness, and prosperity in 2023!

Dr. Kirti Patel
Director

From Dean's Desk

I feel truly blessed to be the Dean of GCS Medical College, Hospital and Research Centre. I thank the Almighty God for enabling me to work in this Premier institute and immensely grateful to God for this unique privilege.

As the Dean of this institution, I can categorically assure the aspiring students will find here the finest academic facilities much beyond one's imagination. Medical Students will experience here all that which makes an academic institution a centre of excellence in Medical Education.

I would like to congratulate freshers' medicos (1st MBBS students – Academic Year 2022-23 batch) & 1st Year Post graduate resident doctors for choosing GCS Medical College, Hospital and Research Centre to start their new career.

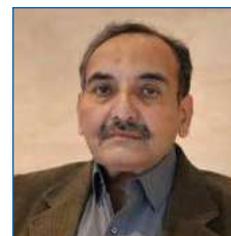

Since the day of the inception, GCS Medical College, Hospital and Research Centre has crossed various hurdles to reach the destination. It has been possible only by the tremendous efforts of the Chairman Sir, All the Trustees, Director, Teaching Faculties, Doctors, Medical Students, Nursing Staffs and all who involved in College and Hospital care services.

GCSMCH&RC is now committed to the overall development of the students in all their curricular and extra-curricular domains. I am sure the knowledge and skills these students imbibe from this institution will make them flow to all the nook and corners of our country and also beyond.

On the occasion of Christmas, I would like to wish you all peace in your soul, glow in your eyes, a smile on your face, love in your heart, and happiness in life.

All the best in the New Year to you and your families!
